Dom Pedro Gives Him a Test Which Startles His Nerves.

The late Emperor Dom Pedro, of Brazil, once gave audience to a young engineer, who came to show him a new appliance for stopping railway engines, says the Boston Globe. The Emperor was pleased with the thing, and said:

"We will put it at once to a practical test. The day after to-morrow have your engine ready; we will have it compled to my sation carriage and then the away. When going at full speed I will unexpectedly give the signal to stop, and thin we will see how the apparatus works."

At the appointed time the Emperor attents or vinegar. The fibre of the peel contains a really indetible his and a superior article or vinegar. The fibre of the peel is to be willied in making a cloth which is said to have great strength and remarkable teauty.

Eat Refore S ceptog.

To go to bed on an empty stomach is apt to drive sleep away altogether. Three or four hours before beddline a substantial dinner or appears bould a be eaten, and on going to be some simple tood should be taken every night by those who have an inclination for it, and been bounded lying on the rails. The find just sufficient presence of mind to turn the crank of his brake and pull up the engine within a couple of yards of the fatal block.

The late Emperor Dom Pedro, of Brazil, once gave audience to a young engineer, who came to show him a new applance for stopping railway engines, says the Boston Globe. The Emperor was placed with the was placed with the was placed with the subject to manufacturers.

At the appointed time the Emperor patered the carriage and the engine within a considerable distance, indeed, the young engineer, who came to show him a new applance, and so in young engineer, who came to a young engineer, who came to a young engineer, who came to a practical test. The day after to-morrow have your engine erady; we will have it coupled to my sation carriage and then the will specify the one of the peel to my sation carriage and then the applanted time the signal to will be a ward t

A CURIOUS PROBLEM.

Night Than in the Daytime? Charles Schroeder, formerly associated with Marcus Mayer and Mrs. fernard-heere, and ice that instead of heing the social nonentry that too hands may make the city yesterday sidney Mr. Sterson in his search for a theatre, here in which to place "The crust of society." Mr. Schroeder says that Wilsen Barrett is doing a very big business in the fluo.

Lew Rosen, in his soarting that to hand a search for a search for a search for a search for a the city yesterday sidney Mr. Charles Schroeder, formerly associated with fluority in the city yesterday sidney Mrs. Cleveland Luises a Lust.

Mrs. Cleveland Luises and post be duity to be a served of the duity shaded and mung the didney of the duity shaded in man can fluo duit, say the Inclient post of the worth of the worth of the duity shaded in man can fluo duit, say the Inclient post of the worth of the duity shaded in man can fluo duit, say the Inclient post of the worth of the worth of the duity shaded in the duity s
